

ACCESSIBILITY STATEMENT

InVision Insurance Services (www.invisioninsurance.com) is committed to providing a website that is accessible to the widest possible audience, regardless of circumstance and ability. We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make Web content more accessible for people with disabilities. Conformance with these guidelines will help make the web more user friendly to everyone. Although InVision Insurance Services (www.invisioninsurance.com) strives to adhere to the guidelines and standards for accessibility, it is not always possible to do so in all areas of the website and we are currently working to achieve this. Be aware that due to the dynamic nature of the website, unintended issues may occasionally occur as it is updated regularly. We are continually seeking out solutions that will bring all areas of the site up to the same level of overall web accessibility.

If you have any comments and or suggestions relating to improving the accessibility of our site, please contact our accessibility coordinator Rafael Arredondo by rarredondo@invisioninsurance.com or [7604444444](tel:7604444444). Your feedback will help us make improvements.

On a personal level, the owners of InVision Insurance Services (www.invisioninsurance.com) have first hand understanding of the challenges faced by people with disabilities or different abilities. Our interest to make the website accessible to as many people as possible is genuine and important and we do ask for any feedback that may help us towards this goal.
